Dear Ms Prentice Challis

27 Bridge Street Wye Ashford Kent TN25 5ED

I refer to Southern Water consultation that we carried out regarding the above address. Please find the attached their response for your records.

Please note we are obliged to contact the Water Authority on every occasion where an excavation is being undertaken to ensure that no public sewers are being built over. If your property is serviced by non-main drainage systems, then please ignore this response.

Please do not hesitate to contact us if you have any queries regarding the attached documents.

Yours sincerely,

Shelley Garfield
